Dear
Marylou:

Under the North Dakota Open Records Statute, N.D.C.C. §44-04-18 et seq., I am requesting an opportunity to obtain copies of public records that relate to the history of the wild horse herd living in Theodore Roosevelt National Park in Medora, ND. These include any and all information on individual horses and/or bands, copies of notes obtained from Tom Tescher on the history of this herd, genetic information, DNA research, information on bloodlines, TRNP Horse pedigree information, and any and all historical information on the wild horses of TRNP.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$100.00.

I would request a prompt response to this request. If you expect a significant delay in responding to or in fulfilling this request, please contact me with information about when I might expect copies.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my
request.

Sincerely,

Christine Kman
